

The Emissions Reduction Acceleration Area proposition to potential members

Ambition

Accelerate emission reductions for a net zero future

The Emissions Reduction Acceleration Area will run until **2026 EOY**

Commitments required

Set net zero by 2050 ambition, inspired by the UN's Race to Zero 'Starting line' framework

Achieve readiness to set Science Based Target (SBTi) by end of programme

Identify a representative working on emissions reduction within company to engage with CGF

Support from CGF

- **Net Zero playbook**
- **Carbon Solutions Hub**: a knowledge repository
- **CEO & Expert workshops**
- **CGF Race to Zero Accelerator** – SME Climate Hub
- **Information Dissemination**: share data, success stories, and best practices

CGF and members' credibility and experience

Coalition has just launched.

It is looking to be one of the most broadly supported coalitions with nearly 60 members pledging to halve emissions by 2030 and be on track for net zero by 2050.
